Понуђени програми су:

Biology	Botany; Microbiology; Biochemistry and Molecular Biology; Bioinformatics; Chemical Biology; Biophysics
Ecology	Agricultural Ecology; Forest Ecology; Physiological Ecology; Watershed Ecology
Chemical Engineering and Technology	Applied Chemistry
Water Conservancy Engineering	Hydrology and Water Resources; Hydraulics and Hydropower Engineering; Structural Engineering; Hydrology and River Dynamics; Hydraulic Structure and Engineering
Agricultural Engineering	Agricultural Soil and Water Engineering; Agricultural Mechanization Engineering; Agricultural Bio-environment and Energy Engineering; Electrification and Automation of Agriculture; Bio-material Science and Engineering
Environmental Science and Engineering	Environmental Science; Environmental Engineering
Food Science and Engineering	Food Science; Foodstuff, Oil and Vegetable Protein Engineering; Agricultural Products Processing and Storage; Aquatic Products Processing and Storage
Computer Science and Technology	Computer Software and Theory; Computer Application Technology
Mechanical Engineering	Mechanical Theory and Design; Machinery Manufacturing & Automation
Crop Science	Crop Cultivation and Tillage; Crop Genetics and Breeding; Plant Resources Science; Seed Engineering
Plant Protection	Plant Pathology; Agricultural Entomology and Pest Control; Pesticides; Utilization of Plant Resources; Eco-engineering of Controlling Harmful Living Beings
Horticulture	Fruit Science; Vegetable Science; Protected Horticultural Engineering; Tea Science
Animal Husbandry	Animal Genetics, Breeding and Reproduction; Animal Nutrition and Feed Science; Pratacultural Science; Aquatic Biology
Veterinary Medicine	Basic Veterinary Medicine; Precautionary Veterinary Medicine; Clinical Veterinary Medicine
Forestry	Tree Genetics and Breeding; Silviculture; Forest Protection; Forest Management; Soil and Water Conservation and Desertification Control
Utilization of Agricultural Resources	Soil Science; Plant Nutrition
Enology	Grapes and Wine
Economics and Management of Agriculture and Forestry	Economics and Management of Agriculture; Economics and Management of Forestry; Agriculture and Rural Development; Agricultural Technological Economics and Program Management; Human Resources Management in Rural Areas; Finance in Rural Areas; International Trade of Agricultural Products and Its Polices; Regional Economics; Accounting
Sociology	Rural Sociology
